Things are suddenly looking a little more hopeful for Ai and Fuuko. As for Tsumugi and Beniko, you'll have to wait a bit more to see how that comes out.

After chapter 33 I said "Coming up next, an unexpected gift, a mysterious theft." Well Fuuko unexpectedly gave Ai a giant bottle of juice, that might sort of count. And Kinako, expecting Tsumugi to try to sneak the letter from her room, took it to the bath with her. But Tsumugi mysteriously found and took it anyway. Does that count as a mysterious theft? Oh well, guess I was zero out of two.

The conclusion of The Princess's Mirror is next, look forward to it.
